

DECLARATION OF RoHS COMPLIANCE

Digital View declares that all products are in compliance with the requirement of the European Parliament and of the council of 8 June 2011 on the restriction of the use of certain hazardous substances in the electrical and electronic equipment, i.e. EU RoHS Directive 2011/65/EU.

The RoHS Directive restricts the use of certain hazardous substances which are known to pose health risks and cause damage to the environment.

The maximum permitted concentrations are

- Quantity limit of 0.1% by mass (1000PPM) for Lead (Pb), Mercury, Hexavalent Chromium, Polybrominated Biphenyl (PBB), Polybrominated Diphenyl Ethers (PBDE)
- Quantity limit of 0.01% by mass (100PPM) for Cadmium

Digital View is committed in its goal of responsible manufacturing, and is ready to meet environmental standards, domestic and international.
